Speaking a banned word means you must finish your drink.

GAME RULES:

BUFFALO:
If someone is drinking a beer with their right hand, call 'Buffalo' and they have to chug it.

WATER BOY:
Go around offering water to every person to ensure they are hydrated. After someone takes a drink, say "Now that's what I call high-quality H2O."

COIN RACE:
Spin a coin on a table, then start chugging. Finish chugging before the coin falls to win

CHING CHONG CHUG:
There is a dedicated ping pong ball. The possesor tries to put it in someones cup. If successful, that person must chug their drink. They are then the possessor of the ping pong ball.

ICE BATH:
Sit in the ice bath for one minute. You must emerge with your entire body wet.
